Re: United States v. Malik Sanchez,
21 Cr. 269 (CM)

Dear Judge McMahon:

I write with the consent of Pretrial Services to request that the Court modify Mr. Sanchez's bail conditions to place him on a curfew, with the hours to be set by Pretrial, in lieu of home detention.

The immediate cause of this request is that Mr. Sanchez wishes to enroll in martial arts classes, starting this Friday, February 11. Mr. Sanchez's Pretrial Services Officer, Jonathan Lettieri, informs me he cannot approve recreational activities under the current bail conditions but that Pretrial would consent to placing Mr. Sanchez on a curfew so that he can take these classes and enjoy a little more freedom for other activities in light of his compliance with supervision. I note that Mr. Sanchez has been on home detention for nine months already; he has stayed out of trouble and used the time to pursue his GED.

The government defers to Pretrial Services.

Respectfully submitted,
